Reading Passage

Hola, me llamo Marcos. Hoy tengo mi libro de ciencias y mi cuaderno de matemáticas. Uso mi lápiz para resolver problemas y una goma para corregir. Para mis dibujos, tengo lápices de colores.

En la clase, la pizarra es grande. El profesor usa tiza para escribir en ella. También usamos rotuladores para los mapas. Tengo un sacapuntas en mi estuche. Cuando hacemos manualidades, usamos tijeras y pegamento. Siempre tengo papel extra en mi mochila.
