Reading Passage

El verano pasado fui a la playa con mi familia. ¡Fue genial! Nadamos mucho en el mar y tomamos el sol en la arena. Mi hermano y yo jugamos a juegos en la playa.

Por las tardes, paseamos por la ciudad y visitamos un museo pequeño. No nos gustó mucho el museo, era un poco aburrido. Comimos en muchos restaurantes diferentes, la comida estaba deliciosa. Un día, alquilamos bicicletas y montamos en bicicleta por el paseo marítimo. También saqué muchas fotos de la playa y del atardecer.
