## Reading Passage

Hola, soy Sofía. Me encanta la música porque me gusta cantar y tocar la guitarra. Mi profesor de música es muy divertido. También disfruto mucho de la geografía. Me gusta aprender sobre diferentes países y capitales del mundo.

No me gusta mucho la ciencia porque los experimentos son difíciles para mí. Pero me gusta la tecnología porque puedo usar el ordenador y crear cosas nuevas. El inglés es mi otra asignatura favorita porque quiero visitar Londres un día y hablar con la gente allí.
