Reading Passage

Hola, me llamo Ana. Hoy voy a describir algunas partes de mi cuerpo. Primero, tengo una cabeza. En mi cabeza tengo dos ojos para ver y una nariz para oler. También tengo una boca para comer y hablar. Mi pelo es largo.

Tengo un cuello que conecta mi cabeza con el resto del cuerpo. Tengo dos brazos con dos manos. Uso mis manos para escribir y dibujar. Mi corazón está en mi pecho y late rápido cuando corro. Mi espalda me ayuda a estar de pie.
