Reading Passage

Hola, me llamo María. Ayer en la playa, me sentí muy mal. Creo que tengo una insolación. Me duele la cabeza mucho y tengo náuseas. Quiero vomitar.

Mi madre preguntó: "¿Qué te pasa?". Yo le dije: "Estoy cansada y me duele la cabeza". Ella preguntó: "¿Dónde te duele?". Yo señalé mi cabeza. Mi madre dijo que necesito un médico. Fuimos a la clínica. El médico me examinó. Necesito mucha agua.
