## Reading Passage

Me gusta ir al parque en bicicleta. Salgo de mi casa y tomo la primera calle a la derecha. Sigo todo recto y luego cruzo un puente pequeño. Después del puente, giro a la izquierda. El parque está al final de la calle. La entrada principal está en el lado oeste del parque. A veces, mis amigos y yo vamos al este del parque porque hay un lago.

## Questions

1. How does the speaker get to the park?
