**Reading Passage**

Hay algunos insectos que no me gustan. En verano, siempre hay una mosca en la cocina. Es muy molesta. Por la noche, si la ventana está abierta, entra un mosquito. No me gusta el sonido que hacen. Las arañas no son insectos, pero tampoco me gustan. Me dan un poco de miedo. Las hormigas no me molestan si están fuera, pero no las quiero en casa.

**Questions**

1. Which insect is always in the kitchen in summer?

---

---

---

[1 mark]
