**Reading Passage**

Estoy en mi último semestre en el instituto. El director, Señor López, nos habló sobre el futuro. Para ir a la universidad, necesito buenas notas. Mi estudio es muy importante ahora. Quiero estudiar biología en la universidad. Tengo que aprender mucho. Después de las clases, hago mi tarea inmediatamente. Es una regla personal. La lista de universidades es larga, pero estoy motivado.

**Questions**

1. What stage of their school life is the speaker in?
