

# Secondary Comunicación con mi Móvil (ANSWERS)

Name:

## Reading Passage

Uso mi celular para todo. Prefiero chatear con mis amigos en WhatsApp que enviar un mensaje de texto. Si es algo urgente, hago una llamada. Con mi abuela, que vive en otro país, siempre hago una videollamada los domingos. Ella no usa las redes sociales, así que es la mejor forma de hablar. Mi perfil es privado, solo mis amigos me pueden seguir.
