Reading Passage

No tengo una mascota, pero quiero una. Mi mascota ideal es un perro, porque son leales y divertidos. Me gustaría un perro pequeño. No quiero un gato, porque son muy independientes. Tampoco quiero un hámster o una cobaya porque viven en jaulas. Un pez es aburrido. Un conejo es una buena opción, pero prefiero un perro. Quizás para mi cumpleaños mis padres me compren un perro.

Questions**1. Does the speaker currently have a pet?****Answer: no***Note: The text says "No tengo una mascota".*

[1 mark]
