**Reading Passage**

Soy Laura y me apasiona la geografía. Mi país de origen es España, un lugar con mucha historia y sol. Mis padres visitaron Portugal el año pasado. Dicen que es un país vecino encantador con playas preciosas.

Quiero visitar México en el futuro para probar su comida tan especial. También me gustaría ir a Argentina para bailar tango. El Reino Unido es otro país que me atrae mucho, especialmente para ver sus famosos castillos. Australia es un gran sueño, quiero ver los canguros en su hábitat natural. El mundo es muy diverso y cada país tiene algo único.
