**Reading Passage**

¡Qué desastre! No encuentro la llave de casa. No está en mi bolsillo. He buscado por todas partes. No puedo entrar en casa. Uso mi teléfono para llamar a mi madre, pero no contesta. No hay radio para escuchar música mientras espero. Solo veo la televisión a través de la ventana. Creo que la llave está dentro de la casa, al lado del teléfono fijo. ¡Qué mala suerte!

**Questions****1. What is the main problem?****Answer: they can't find their house key***Note: The text says "No encuentro la llave de casa."*

[1 mark]
