**Reading Passage**

Il y avait un grand conflit entre notre école et l'école voisine. La compétition était si forte que c'était comme une petite guerre. Après une manifestation des élèves qui voulaient la paix, les directeurs ont eu une réunion. Ils ont signé un accord de paix pour promouvoir le respect. C'est un changement politique important pour nos deux écoles.

**Questions**

1. What was there between the speaker's school and the neighbouring school?

---
