

La Música en mi Familia (ANSWERS)

Name:

Date:

Reading Passage

En mi familia, a todos nos gusta un género musical diferente. A mi padre le encanta el jazz. Toca la trompeta. A mi madre le gusta la salsa y el flamenco. A mi hermana mayor le gusta la música electrónica y el reggae. A mi abuela le gusta la música clásica, y toca el violín. Y a mí me gusta el folk. Es interesante porque siempre hay música diferente en casa.
