Reading Passage

Mis vacaciones fueron en una isla tropical. La isla estaba en medio del océano. En el centro de la isla había un volcán inactivo. Exploramos la isla y encontramos una cueva oscura detrás de una cascada. ¡Fue muy emocionante! No había un desierto, todo era muy verde. La isla era pequeña, así que no tenía un río grande, solo arroyos pequeños.

Questions

1. Where were the speaker's holidays?

Answer: on a tropical island

Note: The text says "en una isla tropical."

[1 mark]
